Würzburg: Excursion to Fulda and Bamberg

In the morning travel to Fulda, where St. Boniface, patron saint of Germany, founded a monastic mission in the 8th century as his main base from which to train and send missionaries throughout northern Europe. Visit Fulda's imposing pilgrimage cathedral and its crypt with the tomb of St. Boniface. Afterwards, travel to Bamberg with its splendid preserved Old Town. Visit the majestic Cathedral of St. Peter and St. George. It is the burial place of the only beatified German king, St. Henry II, and his wife St. Kunigunde. Bamberg was the center of evangelization of eastern Europe in the 11th century and numerous crusading parties left from Bamberg to fight against Moslem invaders. Walk through the Old Town before returning to Würzburg for dinner and overnight
